LAUNCHING SEPT. 17

Therefore be imitators of God, as beloved children. And walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God. Eph. 5:1

The Kucks

Over 19 years ago when Josh and Andrea's friendship became a relationship during their freshman year at Grace College, they knew ministry was going to be a part of their lives. While at Grace College they led a variety of community outreach programs together and haven't stopped since.

They got married in 2001 following their time in school. That is also the year Josh began serving at Wooster Grace as the junior high director where he served for six years. He then served as the high school pastor for 8 years at Fremont Grace.

In September of 2014 they moved to Holt, Michigan, along with their four girls, to join a one-year church planting residency. This program has enabled them to have the time and training that has been valuable to planting in Chelsea.

After surveying communities throughout the state, they came across two thriving sister communities devoid of a relevant Bible-based and gospel focused church. Those communities, Chelsea and Dexter are located just west of Ann Arbor. Each time they have visited and talked with those who live there, God confirms to them that He can use their gifts, experiences, and passion for the gospel to impact the individuals in these unique communities.

The Kuck family moved into Chelsea in Sept. of 2015. Since then have been forming a launch team as they prepare to launch on September 17, 2017.

Kelly Trudell

Kelly connected with us through a local open mic evening. God had been working on her heart for years through her sister. She has confirmed her faith in Christ, is leading our praise team, and has found a home at main street. We are currently praying for her husband, daughter and grand-daughter to join us some day.

We are looking forward to how God will use her to reach people in the future.

Losinger Family

Ryan, Amanda, Paige & Hadden joined us just prior to easter. They have been searching for a church home for years. They have hesitated to be a part of a church body because of past experiences. They are now serving on a regular basis and a part of our bible studies. Their daughter, Paige, placed her faith in christ following our good friday communion.
