Outreach During COVID

PATASKALA MASKED-UP TO LOVE THEIR NEIGHBORS

GRACE CHURCH IN PATASKALA, OHIO HELD THEIR FIRST TRUNK-OR-TREAT EVENT ON OCT 31.

On a beautiful fall day, over 40 volunteers at Grace Church in Pataskala, OH decked out the trunks of their vehicles in the church parking lot to host their very first Trunk-or-Treat event.

Pastor Tim Wilmetti says that they had anticipated approximately 200 people from the neighboring community to turn out to participate. But the church was delighted to see more than 800 guests on their campus, participating in some fall outdoor games, a hay ride and of course, treats from the trunks.

COVID-19 has led to many restrictions for churches this year, but the team at Pataskala was undeterred in providing this safe, socially-distanced outreach opportunity for the people in their community that they hope to meet and introduce to Jesus.

Grace Church is in the process of a 3-year revitalization partnership with Assist and is beginning to see great opportunity as a light for Jesus in their community.

In addition to the Trunk-or-Treat excitement, Pastor Tim was also examined by the Charis district leaders in October and was approved for ordination. The church held an ordination ceremony for Tim on November 21.

This was a great chance for us to introduce ourselves to people who don't even know we exist.
