SUMMER 2021 | CHURCH PLANTING EDITION

## Contrast Church to Launch in Fall 2021

**Movement Church and Three Creeks Church have partnered to launch a new church in Columbus, Ohio.**

Contrast Church is located in the Grandview area of Columbus, Ohio. Their launch team of about 50 people has been gathering for worship and preparation for a little over 9 months. They will have a grand-opening in their own leased space in September. Pastor Trey Gilmore has been leading his team to create opportunities to meet and live among locals, and to disciple those that call Contrast their home.

“Please pray for our new church and for the Holy Spirit to continue to cultivate the soil for the harvest, and to rid any of our team of apathy and busyness.” - Pastor Trey Gilmore

# Wade and Anna Ringer Set Their Sights on a New Church Plant in the Tampa Bay Area

**W**ade and Anna have been in ministry for all 14 years of their marriage and participated in three different church plants/campus starts. They have served in PA, FL, and Canada; Wade, as a Pastor and Anna has been a school teacher by day, a Children's Ministry Director by weekend and a super mom 24/7.

Anna was born and raised in St Pete and Wade has lived in Tampa Bay intermittently, attending middle and high school in the area. Their vision for the new church is to be known for how it serves each other and the community. Please pray for the Ringers as they relocate to Tampa and begin building their launch team.

## Church at the Well: Update from Towson, MD

Dayne and Ana Carraway are delighted to report that Church at the Well is finally finding their way forward after COVID. On May 30 they invited all the friends, met at a social distance for their first Sunday. They had a great group of 9 adults and 7 kids attend. As they move into the summer, they will continue a weekly gathering and look for as many opportunities to be out in the community as possible.

They are holding biweekly prayer gatherings at a local park and coffeshop and are prepping for an outdoor VBS in August.

Please pray that the county public schools will reopen their venues to rent to the public soon so that this team can potentially meet in the local elementary school. Please pray as they continue to build their team as they push forward to a public launch.

## Ocean View Fellowship Indialantic, FL

Bill Tweeddale is the lead pastor at Ocean View Fellowship. He and his wife, Jennifer, have three kids who love and follow Christ. Their oldest son, Seth, is the senior pastor at Ormond Beach, Luke runs his own business and Emily is a domestic engineer. They also have eight grandchildren under eight.

OVF was launched from a desire to reach their neighbors for Christ and equip the church. Yes, they can see the ocean from where they worship! When someone places the Lord Jesus Christ on the throne of their life, they walk right across the street and are baptized in their beloved Atlantic Ocean!

Bill's dad, Bill Tweeddale Sr., believed every church should be a pastor factory, so with help from the Baptist church in their area, they offer an audited version of a Southern Baptist Theological Seminary degree. This is so very exciting; ten men now have a semester under their belt!

Pray for this congregation as they love their neighbors and make new disciples in Florida.
