Adullum (Colorado)

We believe the Kingdom becomes tangible when we integrate…

Stewardship: Adullam Communities function with a lean infrastructure which allows for the maximum resources to be used for leadership development & missional projects.

Gathering: Keep it simple and consistent. Our gatherings serve as a blessing for our children and as a place of connection that holds our people together on mission.

Love and inclusion for all: including the jaded de-churched, leery and lost in every and all places.

Transformation: We offer environments for God to change people's natural tendencies toward consumerism, materialism, and individualism.

Empowerment : Our commitment to the Priesthood of Believers allows us to develop and release our people to innovate and create ministry wherever they are.

Apprenticeship: Stewarding the individual development of every person to be more like Jesus.

Gospel Identity ROMANS 5:8

We believe that each individual's worth is defined by God. The Gospel means that even though we are undeniably flawed by sin, we are also unbelievably loved through the Cross. We believe that God's love sustains our identity to give us increasing victory over the power of sin.

Spiritual Intimacy MARK 1:35

We believe that God wants everyone to grow spiritually. That means primarily that God sent His Son to die for us so that we would have a relationship with Him instead of following a set of prescribed mechanical rules. We believe that this begins with consistently reading and praying God's Word into our lives.

Reaching Priority ACTS 1:8

We believe that part of our responsibility is to advance God's Kingdom in the world starting in Delaware County, then to the Midwest, and then to the world. We are called to care for our neighborhoods as well as for the nations. We seek to welcome, send, go, and mobilize to the ends of the earth.

Personal Ministry ROM 12:4–8

We believe that everyone plays a part in God's redemption story. You and I are not created where we are and when we are by accident. God has wired each of us for meaningful investment in the community, which requires us to move.

Authentic Community ACTS 2:40–47

We believe that God wants us to be connected to each other…not isolated from each other. So, living in biblical community means that we choose to connect with, include, and involve others in our lives. It means that we all have a place to belong.

Journey Church (Ohio)

We are faith-filled, big thinking, bold praying people.
We'll never insult God with small thinking, safe living or small prayers.

We are stronger together.
Unity, unity, unity! The local church is the hope of the world and we know we can accomplish infinitely more together than apart.

Free people, free people.
We break cycles. Your story and pain has purpose in God's hands.

An empowered church is the hope of the world.
We believe every person was born on purpose for a purpose. It's an honor to sacrifice for Christ and His church.

We will do anything short of sin to reach people for Christ.
To reach people no one is reaching, we'll have to do things no one is doing. We don't judge people for where they're at; but celebrate where they're going.

We will lead the way with irrational generosity.
We truly believe it is more blessed to give than to receive.

We will laugh hard, loud, and often.
Nothing is more fun than serving God with people you love!

Tomorrow depends on today.
We are building the next generation to be the church of today.

We will honor Christ and His church with integrity and grace.
If we live with integrity, nothing else matters. If we don't live with integrity, nothing else matters. Journey is a high grace, no judgment zone.
