

ANNOUNCING:

A renewed focus on the mission in Canada

The time has come to rededicate our efforts to the mission in Canada. It was six years ago that Assist Church Expansion was launched from Grace Fellowship Canada. Since then, Assist has grown and provided support for over 40 churches.

In that same period of time, our Canadian churches have faced some great difficulties such as the COVID-19 lockdowns. It is evident that Canada now requires our focused attention and support.

Assist is fully behind re-engaging Canada and has commissioned Philip & Beth Bryant to lead the mission, Grace Fellowship Canada, as full-time missionaries to Canada.

GRACE FELLOWSHIP CANADA (GFC):
a mission of the Charis Fellowship
dedicated to growing a movement of
churches in Canada since 1997

ASSIST CHURCH EXPANSION:
an organization designed to support the
Charis Fellowship in the U.S. and Canada
with church planting, revitalization, restarts,
campusing and adoptions

Reviving the work in Canada

The launch of Assist required significant focus on the U.S. resulting in a significant reduction in funding to the mission in Canada. Would you consider joining us in reinvesting in the growth of God's kingdom in Canada?
